Please use this sheet for your personal comments on instructor effectiveness and other aspects of the course. These comments will be read by the instructor, Dean, and Associate Dean after the course grades have been submitted.

PLEASE PRINT COMMENTS BELOW

1. What are the major strengths and weaknesses of the instructor?

Very personable and good. He was a lot of minute assignment to the class so other comments (-) would be unfair to him.

2. What aspects of this course were most beneficial to you?

OO pattern and basic familiarity w/ Java

3. What do you suggest to improve this course?

More focus on OO patterns.

4. Comment on the grading procedures and exams.

Grades were late. Exam was a little unclear as to what was being asked i.e. the focus of the exam - not the particular questions.

1. What are the major strengths and weaknesses of the instructor?

He manages very well the theory, but he has a hard time when he tries to apply to the real world.

2. What aspects of this course were most beneficial to you?

The technical stuff of Java was very beneficial to me.

3. What do you suggest to improve this course?

The examples should focus more in reality.

4. Comment on the grading procedures and exams.

I don't know yet.

OTHER COMMENTS:

Instead of too many assignments we should do one project with deliverables applying what we have learned through the class.
